

POWERTRAIN

INCLUDES POWERTRAIN COVERAGE

PLUS

INCLUDES POWERTRAIN & PLUS COVERAGE

ENGINE

- All internally lubricated parts
- Cams/camshaft
- Cam bearings
- Push rods
- Hooker arms
- Connecting rods
- Pistons
- Piston rings
- Wrist pins
- Hydraulic valve lifters
- Timing chain & gears
- Crankshaft
- Main bearings
- Oil pump
- Oil pan

MANUAL TRANSMISSION

- All internally lubricated parts
- Main shaft
- Counter shaft
- Input shaft
- Synchronizers
- Gears
- Shift fork & internal bearings
- (Manual clutch & related components are not covered)

FLUIDS & FILTERS

- Are covered only when required in conjunction with a covered component failure and repair.

REAR AXLE ASSEMBLY

- Filing & pinion gears
- All internally lubricated parts contained within the rear end assembly and case (if damaged by an internally lubricated part)

4x4/ALL WHEEL DRIVE

- Included
- Transfer case and all internally lubricated parts and all internally lubricated parts contained within the differential housing

SINGLE/TWIN/TURBO/SUPERCARGER (OEM) ONLY

- Supercharger applies
- All internally lubricated parts contained within the turbo/supercharger housing

AUTOMATIC TRANSMISSION

- All internally lubricated parts (excluding electronics)
- Pump & pump housing
- Carrier assembly
- Planetary gears
- Drums
- Valve body
- Reaction shaft
- Governor
- Benzo assembly
- Torque converter

LABOR

- Labor time required to repair or replace a covered component(s) shall be based on All Data Labor estimating guidelines.

TOWING

- Maximum \$75.00 per breakdown

24/7 ROADSIDE ASSISTANCE

- Optional on Powerttrain agreements
- Surcharge Applies

SENSORS

- Oxygen sensor
- Map sensor
- Mass air flow sensor

ENGINE

- Distributor housing & shaft
- Timing belt & timing belt tensioner
- Timing chain cover
- Timing belt covers
- Oil pressure sending unit
- Cylinder block
- Cylinder head(s)

SEALS & GASKETS

- Cylinder head gaskets & intake manifold gaskets are covered components.
- (All other seals and gaskets are covered only in conjunction with a covered component failure).

FUEL SYSTEM

- Primary electric fuel pump
- Steel lines
- Fittings & hoses

AIR CONDITIONING (OEM)

- Compressor
- Compressor clutch & pulley
- Condenser
- Receiver drier
- Accumulator
- Orifice tube

A/C FLUIDS & FREON

- Included (only in conjunction with the replacement or repair of an A/C covered component).

COOLING SYSTEM

- Electric cooling fan motor
- Fan blade
- Fan clutch
- Radiator
- Water pump
- Thermostat & gasket
- Coolant recovery container unit

HIGH TECH ELECTRICAL

- Electronic ignition module
- Power sun roof motor & switches
- Power seat motors & switches
- Power antenna motor & switches

Electric horn(s) & horn relay

- Stop lamp switch
- Starter motor
- Starter drive assembly
- Solenoid
- Alternator
- Voltage regulator

ABS & BRAKES SYSTEM

- Master cylinder
- Disc brake calipers
- Front & rear wheel cylinders
- Wheel speed sensors
- Accumulator
- Pressure modulator valve
- Steel lines & fittings
- (Exclusions are: rotors, drums, pads & linings).

STEERING & SUSPENSION

- Power steering pump & housing
- Rack & pinion assembly
- All internally lubricated parts contained within the steering gear box
- Upper & lower ball joints
- Front & rear wheel bearings
- Front & rear axle shafts
- Constant velocity joints
- (only if boots are not torn or leaking)
- Front & rear leaf & coil springs
- (only if broken)

RENTAL CAR REIMBURSEMENT

- You will be reimbursed \$50.00 per day for a maximum of 5 days (\$150.00 Maximum) in the event of a covered component failure that requires more than 10 hours labor time based on All Data Labor estimating guidelines.

DIAGNOSTICS

- Maximum one (1) hour labor time allowance based on ALL DATA guidelines for diagnostics in the event of a mechanical breakdown of a covered component, unless a covered component failure is obvious or evident by sound, or is visible.

24/7 ROADSIDE ASSISTANCE & TOWING

ENHANCED SENSOR PACKAGE

- Fuel injection sensor
- Throttle position sensor
- Coolant sensor
- Crank sensor
- Cams/camshaft sensor
- Air intake
- Temperature sensor
- Knock sensor
- Vehicle speed sensor

FUEL DELIVERY SYSTEM

- Air injection pump
- Fuel injectors
- Metering valve
- Fuel gauge sending unit
- Fuel float
- Fuel tank (if tank is not corroded)

ENGINE

- Hydraulic balancer
- Flywheel
- Flex plate
- Flywheel cover
- Exhaust manifolds & gaskets
- Socket rubber engine mounts

ENHANCED ELECTRICAL (PCM)

- Powerttrain control module
- Air suspension relay
- Cruise control module
- Cruise control servo
- Cruise control switch
- Power trunk motor assembly
- Power trunk closer & switch
- Power convertible top motor & switch
- Gearage door opener (OEM)
- Power mirror motors & switches
- Rear wiper motor & switches
- Rear washer pump & switch
- Headlight switch
- Headlight dimmer switch
- Ignition key lock cylinder switch
- Turn signal relay & switch

AIR CONDITIONING

- Expansion valve
- PDA valve
- High & low compressor cut off switch
- Pressure cycling switch & evaporator

HEATING & COOLING

- Heater core

AUTOMATIC TRANSMISSION

- Externally mounted Encoder motors
- Vacuum modulator
- Transmission cooler
- Socket rubber mount

ABS & BRAKE

- Electronic control f
- Vacuum assist boost
- Hydraulic pump/m isolation dump valve

SUSPENSION

- MacPherson struts
- Strut bushings (air
- Tie rod ends & steering arm
- Pitman arm
- King pin
- Center link
- Upper & lower control bushings
- Front & rear sway

EXTERIOR

- Door lock cylinders
- Trunk lock cylinder
- Door hinges
- Manual parking brake
- Hood hinges
- Hood latch
- Hood release cable
- Hood
- Trunk & rear hatch supports
- Trunk & rear hatch

TRIP INTERRUPT

- In the event of a breakdown occurs more than 1 (150) miles from your results in a License keeping your vehicle will reimburse you 1 motel and restaurant to one hundred dollars per day for a maximum of two hundred dollars of two hundred dollars maximum benefit. It shall apply to this b
