2017MY BMW X5, X6, X5M and X6M Product and Pricing Bulletin

BMW is excited to announce additional product substance and pricing for the BMW X5 Sport Activity Vehicle as well as the X6 SAC, and their respective M versions.

New packages for 2017MY help refresh the offer, and provide new customization options for BMW clients. The new M Performance Package, which combines a throaty exhaust with the M Power Performance Kit I (35i models only), and if more sporting looks are on order, a carbon package can also be added. Customers desiring more luxury can now choose from five new BMW Individual Extended Merino Leather upholsteries, four new BMW Individual paints and three premium BMW Individual wood trims. Package value is improved through the addition of new options. Base model equipment carries over, with the exception of X5 and X6 50i models which add BMW Adaptive LED headlights as standard equipment. 35d model information will be communicated at a later date.

2017MY Base Model Pricing

2017MY X5 35i	\$67,000	+\$700
2017MY X5 40e	\$74,700	+\$700
2017MY X5 50i	\$81,200	+\$2,000
2017MY X6 35i	\$70,400	+\$700
2017MY X6 50i	\$86,700	+\$1,700
2017MY X5 M	\$107,900	+\$1,000
2017MY X6 M	\$110,200	+\$1,000

M Performance and M Carbon packages

New for 2017MY are the M Performance Package I and II available on the X5 35i, and X6 35i and M Carbon packages available on X5 50i and X6 50i. The M Performance Package is available in two variants. The \$2,900 M Performance Package I includes a 20HP and 32lb-ft power increase and an M Performance Exhaust which brings out a sportier sound from the 3.0L TwinPower Turbo engine. For clients who desire an extra level of customization, the \$5,900 M Performance Package II adds carbon front splitter, carbon rear diffuser, carbon mirror caps and black kidneys along with the content of Package I. Carbon elements without the performance enhancements are available on X5 50i and X6 50i.

Available on X5 35i and X6 35i:

M performance Package I - \$2,900

- M Performance Power Kit
- M Performance Exhaust

M performance Package II - \$5,900

- M Performance Power Kit
- M Performance Exhaust
- Carbon front splitter
- Carbon rear diffuser
- Carbon mirror caps
- Black kidneys

Available on X5 50i and X6 50i

M Carbon Package - \$3,000

- Carbon front splitter
- Carbon rear diffuser
- Carbon mirror caps
- Black kidneys

The components in the three packages are dealer installed and will be auto-shipped to your dealership with attention to the parts manager. The parts, service and sales managers will all be notified when the parts are shipped to the dealership. The packages will be tagged with the VIN of the vehicle they are to be installed on. The cost of installation will be built into the wholesale price of each package. Labour will be reimbursed at the standard \$140/hr shop rate. The estimated shop time for the M Performance package I, II and M Carbon Package are 1.75 hours, 4.4 hours, and 2.65 hours, respectively. If you trade your vehicle with another dealership, please ensure the parts are forwarded along with the vehicle. You may direct any additional questions regarding installation and shipment of these packages to Accessories.Canada@bmwgroup.ca.

Important Information regarding BMW Individual Ordering

Please note that any order containing either BMW Individual upholstery, exterior paint, wood or all three, could take an additional month to produce. All BMW Individual production takes place in the first two weeks of any given production month. If you amend an order with BMW Individual components after the ordering deadline, your order may be pushed out by an additional month. Please take these notes into consideration before placing or amending any orders with BMW Individual components.

Smartphone Connectivity Package (Option Code ZTV)

New for 2017MY, this package is tailored to smartphone devices. The package includes enhanced Bluetooth with wireless charging capability, WiFi hotspot connectivity and Apple CarPlay integration.

Wireless Smartphone Connectivity Package MSRP: \$750

Enhanced Bluetooth with Wireless Charging (Option code 6NW)

This feature unlocks additional integration with your mobile device, helping connect drivers to their digital lives.

Two phones can be paired simultaneously, with call making and receiving capability. Similarly, a second USB port is available for connecting / charging multiple devices. An additional microphone is installed above the front passenger seat to allow for better voice quality during telephone calls.

Third party ConnectedDrive Apps are accessible via Bluetooth so drivers no longer need to connect their phone via USB.

Features

- Pair two phones simultaneously
- Access third party apps without wired USB connection
- Bluetooth or WIFI audio streaming
- Additional microphone located above front passenger
- Additional USB port
- Wireless charging sleeve in center console for Qi compatible devices

WiFi Hotspot (Option code 6WD)

Featuring a separate sim card for connection directly to a cellular network, this option turns your vehicle into a rolling WiFi network. Up to 10 devices, including smartphones and tablets, can be paired to the network and have full access to the internet with 4G LTE data speeds. Purchase of a separate cellular data plan is required for WiFi internet connectivity.

Apple CarPlay (Option code 6CP)

CarPlay provides BMW drivers with a new way to interact with their iPhone by making popular applications and functions available via the iDrive system in Apples familiar user interface. Using the iDrive controller, touch screen, or Siri hands-free personal assistant, drivers can access their messages, Apple Maps, online music streaming or their iPhones and a growing list of features.
